

POWER & CARE SOAP

PRODUCT- AND TECHNICAL INFORMATION

POWER & CARE SOAP

- Cleanses deep into the pores
- Effortlessly removes paint, lacquer, graffiti, oil, glues, PU and greased.
- Can be used both on wet and dry hands.
- Free from plastic microplastics.

Description

Power & Care Soap is a very powerful and skin-friendly hand cleanser. It is an extraordinary combination of an ester blend and caring oil. The Power & Care Soap is a cream-like product with a fresh fragrance, which leaves a pleasant scent on the hands after washing. Because specially formulated corn granules have been added, it will – in most cases – not cause skin irritation when used frequently.

Practical information

Application

Apply Power & Care Soap to dry or wet hands and rub the hands together until the dirt has dissolved. Then add a small amount of water to achieve a gentler cleanse. After cleaning the hands, rinse with warm or cold water.

Shelf life

Approximately 24 months if properly sealed and in original packaging in a dry place, between +15°C and +25°C.
