

# ***TRAFFIC SIGN PROTECTOR***

*PRODUCT- AND TECHNICAL INFORMATION*

# TRAFFIC SIGN PROTECTOR

- Removes dirt such as soot, traffic film, animal excrement, insects, etc..
- Biodegradable
- PH neutral (7)
- Safe for most surfaces
- Perfect for the long-term cleaning of for example traffic signs
- Antistatic effect

## Description

Traffic Sign Protector is a ready to use, biodegradable spray that penetrates deep into the pores of the substrate. The product removes dirt such as soot, traffic film, animal droppings, insects, etc.. Because of the nanotechnology-based additives, the Traffic Sign Protector gives the surface a deep shine and ensures that new dirt and moisture attach less easy. Traffic Sign Protector is biodegradable and safe for many types of surfaces such as, for example, painted surfaces, aluminium, plastics, rubbers, etc..
